

# Creative house

One of our supported living homes in Leeds has been decorated with bright artwork. Fantastic and colourful artwork created by Peter and Claire has been displayed on the walls. It has turned the home into a lovely and creative space for themselves, support staff and visitors to enjoy.

Claire and Peter have always enjoyed creating artwork and they often enjoy colouring in together at home. The walls of their home are filled with their colourful creations.

They both go to Holt Park Day Services, and their artwork is displayed there for all to see, too. Last year, they entered our Christmas competition, and they were the winners of the 'Most Creative' category, taking home a hamper full of festive goodies.

As well as being creative Claire loves drama and singing and works with the Bright Sparks theatre group. Peter loves his job in a café and helping in the garden.
